Korean Language Class

3 hours per session:
09:00~12:00 / 13:00~16:00

It was created by Sejong the great in mid 15th century to expand literacy among the people and technically Hangul is an alphabet not a syllabary

The Korean alphabet contains 14 consonants and 10 vowels and each symbol is simply the consonant letter. Combined with vowel letter

With the memorization of 31 letters, 11,172 variations of letters can be formed

Korean Culture Class

Korean Food

Korean cuisine evolved through years of social and political changes. Unlike Western course meal, Korean food has main and side dishes. The traditional Korean food consist of 5 main color-green, red, yellow, white, and black.

Hanbok: Korean Traditional Attire

Nowadays, it is only worn on special occasions or anniversaries. The unique lines of hanbok appear at their greatest when the wearer is in motion.

Field Trip: July 27

ART VALLEY

From 1969, it was a granite quarry but became disused because of lack of inventory unexpected drop in production. In 2009, it was turned into a multiplex cultural Park

HERB ISLAND

Herb Museum and Park
